WANT TO CUSTOMIZE YOUR PLANTERS? WE HAVE 4 EASY WAYS

At CTi Living, we're proud to offer custom-branded planters that help build strong brand loyalty. These planters go beyond just repeat purchases—they create a connection with your customers. By adding your unique touch, they not only promote your brand but also stand out in garden centers, big box stores, and nurseries across North America, driving sales and strengthening your brand presence.

1 OFFSET PRINTING

- Fast, cost-effective
- Ideal for simple, bold graphics

"Looking for an affordable solution? Go with Offset Printing—great for round thermoform pots."

2 SCREEN PRINTING

- Works on squares
- Durable logos

"Got square pots? Use Screen Printing!"

"And here's a tip: square pots fit more on a rack, which helps you ship more plants per load."

3 HEAT TRANSFER PRINTING

- Photo-quality prints with vibrant detail
- Super consistent and clean-looking

"Want high-quality, full-color branding? Go for Heat Transfer Printing on your cover pots."

"You can grow in a plain pot, then drop it into a printed cover pot right before shipping—so the print stays crisp and fresh."

4 SHRINK SLEEVE PRINTING

- 360° full-color coverage for huge shelf impact
- Removable, so you can reuse the pots

Want something bold AND removable? Shrink Sleeve Printing is your go-to.

"Perfect if you're unsure about reusing the same design next year."
